

Self-Help for the Elderly  
**45<sup>th</sup> Anniversary Legacy Tree Campaign**

To celebrate Self-Help's 45<sup>th</sup> Anniversary, a "Legacy Tree"--a 3-dimensional, bronze tree will be installed in each of our senior centers in San Francisco, San Mateo and San Jose. Donors will have their names, or those they wish to remember or honor, engraved on one of the leaves on this Legacy Tree.

Donations to this "Legacy Tree Campaign" will support safety-net senior services at Self-Help for the Elderly. All 3 Legacy Trees will be unveiled in February, 2011. Each leaf costs \$1000. Each Legacy Rock will cost \$5000.
